

PLEA FOR PPE

A Citizens' Initiative

The Coronavirus Impact on Monongahela Valley Hospital

The Coronavirus epidemic has created two critical problems for health care systems across the Country:

- A shortage of Personal Protection Equipment (PPE)
- A lack of financial resources to pay for PPE

Please Join in this Citizens' Drive to help Monongahela Valley Hospital

PPE is acquired on the open market and demand is driving up the cost. MVH staff work hard every day to make sure the hospital has the necessary PPE, but the un-anticipated costs are extraordinary.

Please consider making a financial contribution as you are able in one of two ways:

- At CFSBank drive-throughs via a check made payable to the MVH Foundation
- An on-line donation through the MVH Foundation at www.themvhfoundation.org or by calling 724.258.1657

This citizens' initiative is led by the
